# TEMPERANCE CLUB

White Peak Distillery is the first craft distillery in Derbyshire, on the edge of the Peak District National Park.

In mid-2016, we had no premises, no partners or staff, no permits or consents, nowhere near enough funding and no track record in the drinks & spirits industry. But I had a dream - to make whisky and other craft spirits in Derbyshire. I was fortunate to find some investors that liked my ideas, I met two great distillers, and I found the perfect premises. At the heart of the distillery are two beautiful copper stills, from which we will be filling oak casks with our single malt whisky.

- Whisky is our core focus and we will also distil other small-batch spirits where we believe we can offer something authentic; our Derbyshire dry gin is already available.
- The distillery sits on the banks of the River Derwent backing onto Shining Cliff Woods, and our distillery buildings were once the 'stores' and 'maintenance' sheds for the former Johnson & Nephew Wire Works in Ambergate (now part of the Derwent Valley Mills World Heritage Site).
- Johnson & Nephew set up here in 1876 and at its peak employed over 500 people and was a major part of the community; offering employment and sponsoring a diverse range of community activities.
- With the Temperance Club we're planning to bring a new community back to the former Wire Works.

We're passionate about creating authentic craft spirits and establishing a unique destination for our customers. Temperance Club will offer members unique access to our spirits, the chance to be part of our journey and to help develop our future.

#### What's the cost?

Membership costs inclusive of VAT, UK duties and UK delivery charges are as follows:

Temperance Club X = £690  
Temperance Club V = £360

If you live outside the UK, we would like to offer you Temperance Club Membership but there will be additional delivery charges and duties payable. Note that we may not be able to deliver to some countries either due to laws on supply of alcohol or the prohibitive cost involved. If you live outside the UK, please contact us to enquire about Temperance Club Membership using the contact information given on our website.

#### Can I pay in instalments?

Yes, there is an option to pay in two equal instalments. The first payment will include an additional £20 administration charge. Please note that none of the Temperance Club Membership benefits will start until full payment of membership has been made. In all cases, if full payment is not made before 31st August 2019 then unfortunately your Temperance Club Membership will terminate and there will be no refunds of prior amounts paid.

#### What happens once the membership fee (or first instalment) is paid?

Once you have purchased your Temperance Club Membership from our website (or at the Distillery Shop) you will have given us your name and contact details. As soon as we receive confirmation of payment from our bank, we will add your name to our Temperance Club Membership records and will send you a welcome email with your membership number. You will then receive your Temperance Club Membership pack around the 10th of the month following the month of payment confirmation. Note that the first Temperance Club Membership packs will not be sent out until April 2018. If you have chosen to pay by two instalments then we will send you details of how to pay the second instalment along with your Temperance Club Membership pack.

#### Can I buy a Temperance Club Membership for someone else?

Yes, you will need to know the person's email and contact details. If it's a surprise then you can join in your name and once you receive the welcome email from us you will need to reply promptly to give us the details of who you want to have the membership and their contact details for the Temperance Club Membership pack. Note that we can only make such a change once Temperance Club Membership has been paid in full.

#### How will I know when a bottle is on its way?

We will be setting up a Temperance Club Members area on our website, with member accounts and passwords. This will happen in advance of the first bottle being delivered. WPD will send you an email every time we send you a bottle and will update your member account with details. Tracking details can also be provided to trace deliveries.

#### What happens if I move home?

If you are moving within the same country, you will be able to make changes to your member account details within the Temperance Club Members area on our website. If you are moving to a different country, you need to contact us using the contact information on our website with your membership details and new delivery address. If there are any additional delivery or duty charges to be applied due to a change of country we will raise these with you for settlement prior to the next delivery.

#### What stage is the distillery at?

The stills and all the other major vessels and equipment have been installed. The commissioning is expected to be undertaken by the end of February 2018. We expect to be filling our first casks no later than April 2018.
